Parent Statement of Understanding

The following information is important for the safety and protection of your child. Please read the information, sign this form, and return the original to the Cumberland Cape Atlantic YMCA (CCA YMCA). A copy will be filed with your child's records.

- I understand that CCA YMCA staff and volunteers are not allowed to baby-sit or transport children at any time outside the CCA YMCA program. If a violation is discovered, the Y will take immediate disciplinary action toward staff and/or volunteers.
- I understand that staff and volunteers are not allowed to initiate contact with members and program participants outside the CCA YMCA, unless necessary in certain limited cases for the smooth operation of a CCA YMCA program. If deemed necessary, contact should be made with the program participant's parent or guardian. Contact includes, but is not limited to, sharing of phone numbers, email addresses, personal websites and/or web logs. If a violation is discovered, the Y will take immediate disciplinary action toward staff and/or volunteers.
- I understand that I am not to leave my child* at the CCA YMCA or program site unless a CCA YMCA staff or volunteer is there to receive and supervise my child. I understand that my child must be escorted to and from the program area by me or another person on my authorized list. Children may not just be dropped off at the door. *Note: The CCA YMCA's policy is that children under the age of 12 may not be alone in our facilities/program sites.
- I understand children should not receive excessive gifts (e.g. toys, video games, jewelry) from CCA YMCA staff or volunteers, and I should report this to a supervisor if they do.
- I understand that my child will not be allowed to leave the program with an unauthorized person. Any person authorized to pick up my child, including relatives, must be listed with CCA YMCA and **must be at least 18 years of age required by the CCA YMCA**. Any other alternate pick-up arrangements must be made in writing by a parent/guardian. Phone notification of an alternate pick-up arrangement is only accepted in an emergency.
- I understand that should a person arrive to pick up my child who appears to be under the influence of drugs or alcohol, for the child's safety, staff may have no recourse but to contact the police. Please do not put staff in a position where they have to make this judgment call.
- I understand that I can help ensure my child's safety by taking an active interest in his or her CCA YMCA experience. I too will monitor volunteer and staff interactions with my child and ask my child specific questions about program activities and volunteer or staff relationships with my child.
- I understand that the CCA YMCA is mandated by state law to report any suspected cases of child abuse or neglect to the appropriate authorities for investigation.
- I have received a copy of the CCA YMCA Youth Program Handbook and/or Program Policies and Procedures and will keep it for future reference.

Camp Merrywood Transportation Information

All Merrywood Campers must be at the YMCA of Vineland, no later than 9:30AM. The last bus will depart the YMCA promptly at 9:30AM. Campers will remain behind the fenced in area behind the YMCA until the bus arrives, the driver parks in the designated place, engages the emergency brake and shuts off the engine. Once the bus is ready to be boarded the campers will walk escorted by the counselors to board the bus. Campers will be separated in the bus according to gender. Counselors will seat themselves throughout the bus to ensure that the children are being properly supervised.

Campers will be transported by a contracted bus service to Camp Merrywood.

Campers will board the last bus at Camp Merrywood by 3:45PM. Children will be instructed by the staff when to board the bus. This will not start until the bus has been parked in the designated space, engages the emergency brake and the driver has turned off the engine. Once the bus is ready to be boarded the campers will walk, escorted by the counselors, to board the bus. Campers will be separated in the bus according to gender and age. Counselors will seat themselves throughout the bus to ensure that the children are being properly supervised.

In the event of an emergency the staff will contact the Parent/Caregiver listed on the registration form.

Driver & Vehicle Policies and Procedures

Emergency Equipment/Forms – Every vehicle used to transport campers and staff should be equipped with a first-aid kit and emergency accessories, such as fire extinguisher, reflectors, maps, motion sickness bag, flashlight, blanket, chalk, and container of fresh drinking water. The staff member accompanying the group must carry health forms for all passengers, a daily attendance roster and a cell phone for emergency communication. A rental agreement or vehicle registration, vehicle mileage sheet, insurance information, vehicle safety maintenance checklist, and this sheet should be in the vehicle at all times.

Vehicle Type/Capacity – Campers and staff should only be transported in vehicles designed to carry passengers. They are not permitted to ride in the back of trucks, except in an extreme emergency (i.e., fire evacuation), and when directed by appropriate staff. Vehicles should carry only the number of passengers specified by the vehicle manufacturer. There should be a seatbelt for each passenger. A staff member (adult) must be present in each vehicle. If traveling by bus, in addition to the driver, extra staff and/or aides must be present for campers with disabilities, based on ratios established for persons requiring additional assistance or supervision. (See established camp ratios.)

Vehicle Safety Checks – Prior to transporting campers*, the following must be checked and recorded in the vehicle log book:

- Lights
- Horn
- Brakes
- Fluid levels
- Tires
- Windshield and wiper condition
- Mirrors
- Emergency warning systems

*On designated camp vehicles, these items must be checked monthly, regardless of vehicle use.

Passenger Orientation – Passengers should be instructed in the following safety procedures prior to transporting:

1. Passengers should remain seated at all times while the bus is in motion, with their hands and arms inside the vehicle. Girls and boys must be separated according to gender and by developmental level. Counselors **MUST BE DISPERSED THROUGHOUT THE BUS** permitting The Ratio on all bus trips will be a minimum of 1:15, following the State on NJ school age ratios. If the number of children is below 15, a minimum of two (2) counselors **MUST** be present on the bus.
2. Seat belts should be fastened--one person per seat belt.
3. Noise level should be such as to not distract the driver. There should be no throwing of objects or other disruptive behavior.
4. Exit doors **MUST** not be blocked by equipment, back packs, or persons.
5. Passengers should enter and leave the vehicle under the direction of a staff member and/or driver. If the vehicle makes an emergency stop, passengers should follow directions of staff member and/or driver and use buddy system if leaving the vehicle.

6. Registration forms containing emergency contact information and consent to treat MUST be with bus counselors including necessary medical information.

Driver Requirements – To transport campers off the site, drivers must be:

- 21 years of age and hold valid vehicle operator's license for the particular vehicle
- In good standing employee of a reputable bus company
- STAFF ARE NOT PERMITTED TO TRANSPORT CAMPERS IN ANY VEHICLE

Travel Procedures – Vehicles should be kept a safe distance apart if traveling together. It is recommended that vehicles travel by convoy. Drivers should pre-establish rest stops to check in with each other. All drivers should have maps, complete directions to destination, and appropriate telephone numbers. One driver should be appointed lead driver. On any trip, stops should be made only at acceptable rest stops. After three continuous hours, the vehicle must stop to rotate drivers and rest the passengers. All traffic laws of the state are to be strictly obeyed when transporting campers and staff.

Camper Behavior – In larger vehicles, behavior problems should always be the responsibility of adults or staff members other than the driver. If the driver is the only staff member available to handle disruptive behavior and verbal corrections are not successful, he/she should pull off the road in a safe area. Campers follow established camp discipline procedures (see staff manual).

Loading and Unloading Passengers – Load and unload in areas that are free from vehicular traffic unless it's an emergency. The vehicle should be in park, with the emergency brake on, and the motor turned off. Loading and unloading should take place in an orderly fashion following directions from staff member. Campers should be directed where to assemble after unloading and kept under supervision of an adult.

Dealing with Passenger Illness

1. Administer first aid as needed. Keep the camper comfortable.
2. If you need to stop, try to do so in an authorized or designated area.
3. Contact camp about the camper or return to camp as soon as possible, and have the camper check in with the health-care supervisor.

Accident Procedures

1. The appointed Lead Bus Counselor will assess the situation and delegate staff with roles of supervising the uninjured or attending to the injured.
2. Attend to any ill or injured passengers. If medical care is needed, see that individual(s) are taken to nearest medical facility.
3. Place reflectors or emergency flashers, next to the vehicle, as appropriate. If vehicle has to be moved, mark the location (from back of tire) with chalk.
4. Instruct passengers to exit vehicle, when appropriate, using the buddy system. Group uninjured passengers together in an area safe from oncoming traffic to await instructions and/or new pick-up. Campers must be supervised by an adult at all times.
5. Contact camp director who will contact designated emergency contacts.
6. Obtain names, addresses, and telephone numbers of any witnesses and location where any police reports will be filed.
7. Complete incident reports for all passengers and staff involved in the accident.

Dealing with Vehicular Breakdown

1. Move off the road as far as possible. It's better to drive on a flat tire than to park in an unsafe place.
2. Place the transmission in low, reverse, or park. Turn off ignition and remove key.
3. Set the emergency brake.
4. Set four-way turn (emergency) blinkers.
5. If vehicle must stop in non-designated parking area (e.g., the side of the road), be sure to carry reflective triangles between you and the oncoming traffic when placing reflectors in the following places:
 - On the traffic side of the vehicle, within 10 feet of the front or rear corners.
 - About 100 feet behind and ahead of the vehicle, upon the shoulder of the lane where you are stopped.
 - Back beyond any hill, curve, or other obstruction that prevents other drivers from seeing the vehicle within 500 feet.
 - If stopped on or by a one way or divided highway, place warning devices 20 feet, 100 feet, and 200 feet toward the approaching traffic.
6. If safe to do so, unload passengers and move them well off the roadway away from the vehicle. Make sure campers are supervised at all times by an adult. If evacuation from a bus is necessary, follow established procedures and directions of the staff member.

7. Contact camp with information about nature of the breakdown and your exact location. Additional help may be requested if needed. One staff member must stay with the vehicle and campers.

INFORMATION TO PARENTS

Under provisions of the **Manual of Requirements for Child Care Centers (N.J.A.C. 3A:52)**, every licensed child care center in New Jersey must provide to parents of enrolled children written information on parent visitation rights, State licensing requirements, child abuse/neglect reporting requirements and other child care matters. The center must comply with this requirement by reproducing and distributing to parents and staff this written statement, prepared by the Office of Licensing, Child Care & Youth Residential Licensing, in the Department of Children and Families. In keeping with this requirement, the center must secure every parent and staff member's signature attesting to his/her receipt of the information.

Our center is required by the State Child Care Center Licensing law to be licensed by the Office of Licensing (OOL), Child Care & Youth Residential Licensing, in the Department of Children and Families (DCF). A copy of our current license must be posted in a prominent location at our center. Look for it when you're in the center.

To be licensed, our center must comply with the Manual of Requirements for Child Care Centers (the official licensing regulations). The regulations cover such areas as: physical environment/life-safety; staff qualifications, supervision, and staff/child ratios; program activities and equipment; health, food and nutrition; rest and sleep requirements; parent/community participation; administrative and record keeping requirements; and others.

Our center must have on the premises a copy of the Manual of Requirements for Child Care Centers and make it available to interested parents for review. If you would like to review our copy, just ask any staff member. Parents may view a copy of the Manual of Requirements on the DCF website at <http://www.nj.gov/dcf/providers/licensing/laws/CCCmanual.pdf> or obtain a copy by sending a check or money order for \$5 made payable to the "Treasurer, State of New Jersey", and mailing it to: NJDCF, Office of Licensing, Publication Fees, PO Box 657, Trenton, NJ 08646-0657.

We encourage parents to discuss with us any questions or concerns about the policies and program of the center or the meaning, application or alleged violations of the Manual of Requirements for Child Care Centers. We will be happy to arrange a convenient opportunity for you to review and discuss these matters with us. If you suspect our center may be in violation of licensing requirements, you are entitled to report them to the Office of Licensing toll free at 1 (877) 667-9845. Of course, we would appreciate your bringing these concerns to our attention, too.

Our center must have a policy concerning the release of children to parents or people authorized by parents to be responsible for the child. Please discuss with us your plans for your child's departure from the center.

Our center must have a policy about administering medicine and health care procedures and the management of communicable diseases. Please talk to us about these policies so we can work together to keep our children healthy.

Our center must have a policy concerning the expulsion of children from enrollment at the center. Please review this policy so we can work together to keep your child in our center.

Parents are entitled to review the center's copy of the OOL's Inspection/Violation Reports on the center, which are available soon after every State licensing inspection of our center. If there is a licensing complaint

investigation, you are also entitled to review the OOL's Complaint Investigation Summary Report, as well as any letters of enforcement or other actions taken against the center during the current licensing period. Let us know if you wish to review them and we will make them available for your review or you can view them online at <https://childcareexplorer.njccis.com/portal/>.

Our center must cooperate with all DCF inspections/investigations. DCF staff may interview both staff members and children.

Our center must post its written statement of philosophy on child discipline in a prominent location and make a copy of it available to parents upon request. We encourage you to review it and to discuss with us any questions you may have about it.

Section 1 - Parent

Please have the parent/guardian complete the top section and sign the consent for the child care provider/school nurse to discuss any information on this form with the health care provider.

The WIC box needs to be checked only if this form is being sent to the WIC office. 1. Please enter the date of the physical exam that is being used to complete the form. Note significant abnormalities especially if the child needs treatment for that abnormality (e.g. creams for eczema; asthma medications for wheezing etc.)

- **Weight** - Please note pounds vs. kilograms. If the form is being used for WIC, the weight must have been taken within the last 30 days.
- **Height** - Please note inches vs. centimeters. If the form is being used for WIC, the height must have been taken within the last 30 days.

If you need a blank form on which to enter the immunization dates, you can request a supply of Personal Immunization Record (IMM-9) cards from the New Jersey Department of Health, Vaccine Preventable Diseases Program at 609-826-4860. The Immunization record must be attached for the form to be valid.

- "Date next immunization is due" is optional but helps child care providers to assure that children in their care are up-to-date with immunizations.

3. **Medical Conditions** - Please list any ongoing medical conditions that might impact the child's health and well being in the child care or school setting.

a. Note any significant medical conditions or major surgical history. **If the child has a complex medical condition, a special care plan should be completed and attached for any of the medical issue blocks that follow.** A generic care plan (CH-15) can be downloaded at www.nj.gov/health/forms/ch-15.dot or pdf. Hard copies of the CH-15 can be requested from the Division of Family Health Services at 609-292-5666.

b. **Medications** - List any ongoing medications. Include any medications given at home if they might impact the child's health while in child care (seizure, cardiac or asthma medications, etc.). Short-term medications such as antibiotics do not need to be listed on this form. Long-term antibiotics such as antibiotics for urinary tract infections or sickle cell prophylaxis should be included.

PRN Medications are medications given only as needed and should have guidelines as to specific factors that should trigger medication administration.

Please be specific about what over-the-counter (OTC) medications you recommend, and include information for the parent and child care provider as to dosage, route, frequency, and possible side effects. Many child care providers may require separate permissions slips for prescription and OTC medications.

c. **Limitations to physical activity** - Please be as specific as possible and include dates of limitation as appropriate. Any limitation to field trips should be noted. Note any special considerations such as avoiding sun exposure or exposure to allergens. Potential severe reaction to insect stings should be noted. Special considerations such as back-only sleeping for infants should be noted.

d. **Special Equipment** - Enter if the child wears glasses, orthodontic devices, orthotics, or other special equipment. Children with complex equipment needs should have a care plan.

e. **Allergies/Sensitivities** - Children with life-threatening allergies should have a special care plan. Severe allergic reactions to animals or foods (wheezing etc.) should be noted. Pediatric asthma action plans can be obtained from The Pediatric Asthma Coalition of New Jersey at www.pacnj.org or by phone at 908-687-9340.

f. **Special Diets** - Any special diet and/or supplements that are medically indicated should be included. Exclusive breastfeeding should be noted.

g. **Behavioral/Mental Health issues** - Please note any significant behavioral problems or mental health diagnoses such as autism, breath holding, or ADHD.

h. **Emergency Plans** - May require a special care plan if interventions are complex. Be specific about signs and symptoms to watch for. Use simple language and avoid the use of complex medical terms.

4. **Screening** - This section is required for school, WIC, Head Start, child care settings, and some other programs. This section can provide valuable data for public health personnel to track children's health. Please enter the date that the test was performed. Note if the test was abnormal or place an "N" if it was normal.

- For lead screening state if the blood sample was capillary or venous and the value of the test performed.

2023-2024 SUMMER FOOD SERVICE PROGRAM

LETTER TO PARENTS

Dear Parent or Guardian:

The Summer Food Service Program, a federal program of the United States Department of Agriculture (USDA), provides nutritious meals to preschool and school age children during the summer months. In this program, all meals are served free. The opportunity for your child to receive nutritious meals and snacks from the Summer Food Service Program should not be missed. Sound nutrition plays an important role in a child's physical and educational development.

Eligibility: Your cooperation is vital to qualify your child for this program. Public Law 97-35 requires documentation of eligibility of children in certain types of Summer Food Service Programs. In order to be eligible for this funding, our program must maintain a record of family size and income of all participants. The Income Eligibility Scale for free and reduced-price meals is included in this letter for your information. If your income is less than or equal to the free or reduced-price standards, your child is eligible for free meals from the Summer Food Service Program which means increased reimbursement for our program and increased nutritional benefits for your child.
